Dear Dean Prof. Carbajo Rueda,

On behalf of the ECOVE, which met on 29 May 2024, I hereby inform you of the outcome of the evaluation based on the ESEVT Full Visitation to your VEE on 4 - 8 March 2024.

The Committee concluded that no Major Deficiency had been found.
The Committee further concluded that three Minor Deficiencies had been found.

In accordance with the European System of Evaluation of Veterinary Training (ESEVT) and based on the educational requirements of the Directive 2005/36/EC as amended by Directive 2013/55/EU,

**the status of the VEE of the University of León is

In line with the [ESEVT SOP 2023](#), under which the visitation was completed, the status will be valid for seven years from the date of the visitation, i.e. until the **end of March 2031**.

In line with our agreement, please publish the SER and the Final Visitation Report on your website.

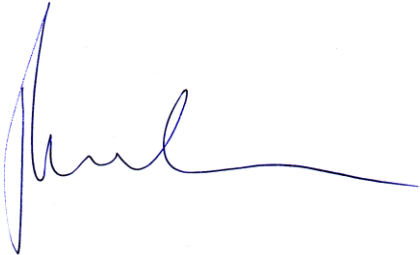

With respect to the three Minor Deficiencies (described in detail in the Visitation Report), following the adoption of the [SOP 2023](#) on 8 June 2023, the VEE is required to submit to the

EAEVE Office a brief Interim Report (IR) in March 2025. This IR should focus solely on the progress in the correction of the Minor Deficiencies.

Two more IRs (3 years and 5 years after the Full Visitation) are to be submitted in March 2027 and March 2029 respectively, in accordance with the new IR procedures under SOP 2023 (for reference please check section 4, Chapter 2 and Annex 14 of the SOP).

Should you have any questions, please do not hesitate to contact me (Florian.Buchner@vetmeduni.ac.at), the Director of ESEVT (pierre.lekeux@eave.org) or the EAEVE Office (office@eave.org).

Yours sincerely,
